- APAC

Viz Story

Publish your story **anywhere first!**

Viz Story

A web tool for creating and publishing online video clips, so you can tell captivating stories quickly & beautifully

Why Viz Story?

Super Easy

No specialist training required

Add graphics, edit & publish from the browser

Templated graphics prevent mistakes

Save Time

Publish simultaneously in multiple aspect ratios

Work from anywhere directly in the browser

Work on growing files

Keep Control

Graphics adjust to aspect ratios automatically

Connect to content store, CMS and MAM.

Integrate data and statistics directly into graphics

Samarbeid UiB og Vizrt

- Samarbeid med DigUiB og UiB Læringslab
- Viz Story testes hos ulike brukergrupper
 - Undervisningsfilm
 - Video av Lab aktivitet
 - Fremheve satsninger
 - Formidle forskning
- Planlegges en større utrulling

Støtte fra Forskningsrådet

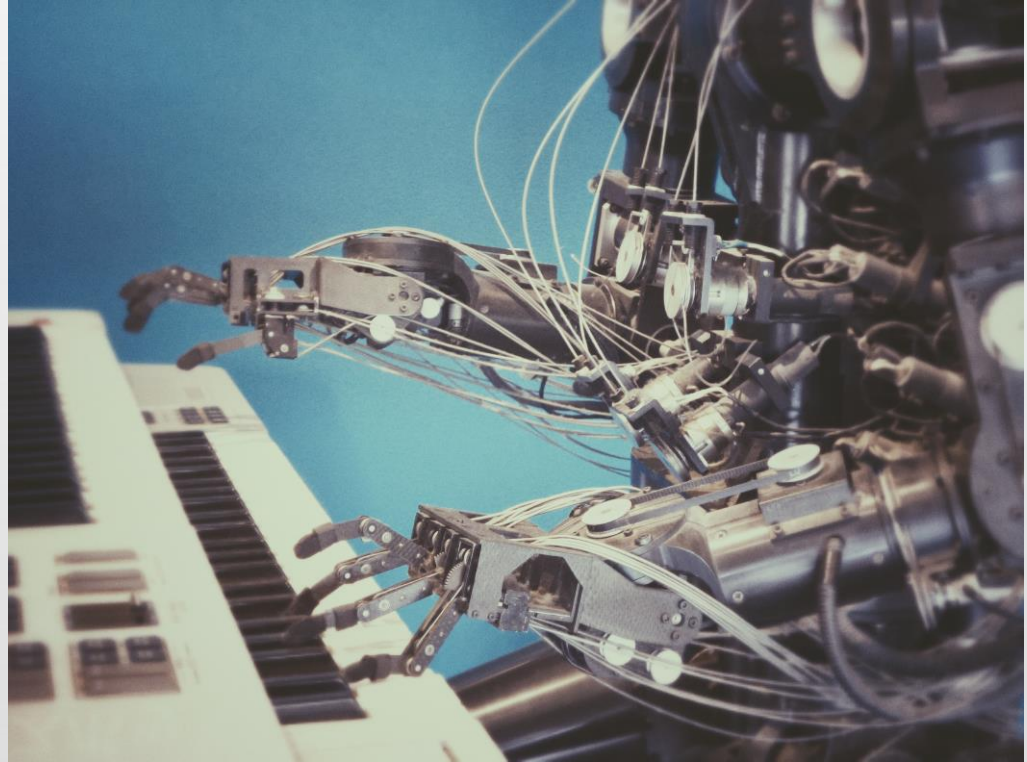

- Med støtte fra Forskningsrådet skal UiB og Vizrt samarbeide med å lage ett verdensledende verktøy for online videoredigering
- Samlokalisert i Media City Bergen
- 2 ph.d. stillinger

ph.d. #2 - AI Assisted Video Workflow

- Utforskningsstadiet
 - Speech To Text
 - Scene detection
 - Object Tracking
 - Metadata

Takk for
samarbeidet
